## Film Logistics Checklist:

You have been asked to meet with the Film Logistics Committee (FLC), which is managed by Capital Planning and Space Management (CPSM), to discuss the logistics and coordination for your upcoming film. **Please bring five copies of all diagrams concerning the space(s) you will be occupying.**

The following is a general checklist of items needed for the FLC meeting. Please bring this information with you to the FLC meeting, along with site drawings and diagrams. If there is anything else not listed that is essential to understanding your filming on campus, please bring documents or drawings to the meeting for discussion.

### Check List:

- { } Contract (we will make copy of contract once executed)
- { } Insurance coverage
- { } Drawings of outside/indoor space(s) with layout of cable routes for permit purposes
- { } Drawings of base camp area
